*Copy of *Barron's 501 Spanish Verbs* by Christopher and Theodore Kendris

*The purchase of *Barron's 501 Spanish Verbs* is recommended for students interested in pursuing their study of the Spanish language.

All **seventh and eighth grade** students should have a **brown-paper bag** and a small amount of contact paper by the second week of school. They will use the brown-paper bag to cover their Spanish books. Students in each grade will create a special cover for their books,

which will be part of an assignment. The assignment will be explained during the first week of school.

Muchas gracias and have a great summer!

Please note that you do not have to purchase any new supplies if your previous supplies are in good condition.
